By signing this form, I certify that the patient and physician information contained in this enrollment form is complete and accurate to the best of my knowledge. I have prescribed CABOMETYX® based on my judgment of medical necessity and I will be supervising the patient's treatment. I have received the necessary legal authorization from the patient to transmit the patient's personal health information, as provided on this form, to EXELIXIS®, and parties working with EXELIXIS, so that they may (1) contact the patient at the patient's phone number(s) provided on this form and (2) perform a preliminary assessment of insurance verification and (3) determine patient eligibility for the EXELIXIS product program(s). I authorize the forwarding of this prescription to a dispensing specialty pharmacy on behalf of myself and the patient. I understand that neither I nor the patient may seek reimbursement from, submit claims to, or cause the submission of claims to any government program or third-party insurer for any free product received under the program(s). If applicable, any free product provided to me for the patient will be provided to the patient for his or her own use without charge and I will not sell, resell, or attempt to resell such product.
